## SECTION I NURSING EDUCATION

|   |   |
|---|---|
| <b>Chapter 1 Introduction to Education .....</b>                | <b>3–12</b>                               |
| Introduction 4  | Purposes of Education 6                   |
| Definitions 4   | Scope of Education 8                      |
| Aims of Education 4   |   |
| <b>Chapter 2 Teaching-Learning Process .....</b>                | <b>13–21</b>                              |
| Introduction 14   | Nature and Characteristics of Teaching 16 |
| Chief Aspects of Teaching-Learning Process 14                   | Characteristics of Learning 16            |
| Basic Principles of Learning 14                                 | Preparation of Teaching/Lesson Plan 16    |
| Basic Principles of Teaching 15                                 | Teaching Responsibilities of a Nurse 19   |
| Maxims of Teaching 15   |   |
| <b>Chapter 3 Methods of Teaching .....</b>                      | <b>22–38</b>                              |
| Introduction 23   | Classification of Methods of Teaching 24  |
| Definitions 23  | Lecture Method 24                         |
| Meaning 23  | Demonstration Method 26                   |
| Principles for Selection of Teaching and<br>Learning Methods 23 | Discussion Method 27                      |
| Objectives 23   | Clinical Teaching Method 31               |

## SECTION II INTRODUCTION TO RESEARCH AND STATISTICS

### Chapter 4 Basics of Research ..... 41-49

|  |                     |
|--|---------------------|
| Introduction 42                        | Nursing Research 46 |
| Definitions and Meaning of Research 42 |                     |

### Chapter 5 Research Process ..... 50-61

|                                 |                                     |
|---------------------------------|-------------------------------------|
| Introduction 51                 | Steps of Research Process 52        |
| Purposes of Research Process 51 | Applications of Research Process 59 |
| Objectives of Research 51       |                                     |

### Chapter 6 Research Approaches/Research Design ..... 62-69

|                               |                                      |
|-------------------------------|--------------------------------------|
| Definition 63                 | Applications of Research Approach 64 |
| Types of Research Approach 63 | Research Design 65                   |
| Research Approach Methods 63  |                                      |

### Chapter 7 Data Collection Process ..... 70-86

|                                      |   |
|--------------------------------------|---|
| Introduction 71                      | Sources of Data Collection 75           |
| Sampling Methods 71                  | Methods and Tools of Data Collection 75 |
| Types of Sampling Methods 71         | Factors Influencing Data Collection 76  |
| Steps to Conduct Sampling Methods 72 | Methods of Data Collection 76           |
| Data Collection 73                   | Characteristics of Data Collection 83   |
| Purposes of Data Collection 73       | Advantages of Data Collection 83        |
| Steps of Data Collection Process 73  | Disadvantages of Data Collection 84     |
| Types of Data Collection 74          |   |

### Chapter 8 Analysis of Data ..... 87-112

|                                     |                                     |
|-------------------------------------|-------------------------------------|
| Introduction 88                     | Advantages of Data Analysis 92      |
| Data Analysis Process 88            | Limitations of Data Analysis 92     |
| Types of Data Analysis 89           | Data Analysis and Compilation 93    |
| Data Analysis Methods 90            | Presentation of Statistical Data 98 |
| Data Analysis Tools 91              | Interpretation of Data 104          |
| Purposes of Data Analysis 91        | Research Report 105                 |
| Characteristics of Data Analysis 91 |                                     |

### Chapter 9 Introduction to Statistics ..... 113-128

|                                     |   |
|-------------------------------------|---|
| Introduction 114                    | Classification 118                        |
| Statistical Terms 114               | Frequency Distribution 118                |
| Definitions 115                     | Statistical Averages 121                  |
| Uses and Applications 115           | Measurement of Dispersion 123             |
| Scales or Levels of Measurement 115 | Statistical Packages and Applications 126 |

### Chapter 10 Utilization of Research Findings ..... 129-136

|   |  |
|---|--|
| Introduction 130                                | Application of Nursing Research 131    |
| Barriers in Utilization of Nursing Research 130 | Evidence-Based Practice in Nursing 132 |

### SECTION III PROFESSIONAL TRENDS AND ADJUSTMENT

#### Chapter 11 Nursing: A Profession ..... 139–148

|   |   |
|---|---|
| Introduction 140  | Evolution of Nursing 142                              |
| Definitions of Profession 140   | Nursing Profession in India 143                       |
| Characteristics and Criteria of a Profession and Nursing Profession 140 | Educational Preparation of a Professional Nurse 144   |
| Nursing as a Profession 141   | Qualities/Characteristics of a Professional Nurse 145 |
|   | Roles of a Professional Nurse 146                     |

#### Chapter 12 Professional Ethics ..... 149–160

|  |  |
|--|--|
| Introduction 150                                       | Code of Ethics for Nurses by International Council of Nurses 151 |
| Professional Ethics 150                                | Standards for Nursing Practice 153                               |
| Professional Etiquettes 150                            | Etiquettes for Employment 155                                    |
| Relationship of Professional Ethics and Etiquettes 151 |  |

#### Chapter 13 Personal and Professional Development ..... 161–172

|                          |   |
|--------------------------|---|
| Continuing Nursing 162   | Need for Participation in Committee Procedure 168 |
| Career in Nursing 163    | Nursing in the Future—Keeping Up with Trends 170  |
| In-Service Education 166 |   |

#### Chapter 14 Legislation in Nursing ..... 173–191

|   |   |
|---|---|
| Introduction 174  | Laws and Regulations for Hospitals in India 184 |
| Purpose and Importance of Laws in Nursing 174   | Central and State Legislations 186              |
| Value of Laws in Nursing 174  | Service Conduct and Institutional Laws 188      |
| Common Legal Hazards in Nursing 177   | Disaster (Emergency) Situations 188             |
| Laws and Regulations Related to Healthcare Providers in India at Different Levels 177 | Regulations of Nursing Education 188            |
| Law, Ethics and Medical Council 178   | Registration and Reciprocities 189              |

#### Chapter 15 Professional and Related Organizations ..... 192–207

|  |   |
|--|---|
| Introduction 193                           | Commonwealth Nurses Federation 198                          |
| Trained Nurses Association of India 193    | Nurses League of the Christian Medical Association 199      |
| Student Nurses Association 194             | International Confederation of Midwives 199                 |
| International Council of Nurses 195        | Related Organizations and their Contribution in Nursing 201 |
| Indian Nursing Council 196                 |   |
| State Nursing Council and Registration 197 |   |

### SECTION IV NURSING ADMINISTRATION AND WARD MANAGEMENT

#### Chapter 16 Basics of Management ..... 211–218

|                    |   |
|--------------------|---|
| Introduction 212   | Management and Administration 215                           |
| Management 212     | Elements of Administration and Management 215               |
| Managers 213       | Scope and Significance of Administration and Management 216 |
| Administration 214 |   |

**Chapter 17 Management Process ..... 219–267**

|                  |                                   |
|------------------|-----------------------------------|
| Introduction 220 | Superannuation 238                |
| Planning 220     | Personnel Management 241          |
| Organization 224 | Job Description 247               |
| Staffing 231     | Job Specification 248             |
| Recruitment 232  | Staff Development 249             |
| Selection 236    | Staff Welfare 252                 |
| Placement 237    | Directing 253                     |
| Retaining 238    | Quality Control or Management 255 |
| Promotion 238    | Budget 256                        |

**Chapter 18 Administration of Hospital/Department/Unit/Ward ..... 268–284**

|  |                                       |
|--|---------------------------------------|
| Introduction 269   | Legal Responsibilities of a Nurse 273 |
| Physical Layout of the Hospital 269                            | Leadership Styles 274                 |
| Safety Measures for Prevention of Accidents and Infections 271 | Problem Solving 277                   |
|  | Records and Reports 279               |

**Chapter 19 Management of Equipment and Supplies ..... 285–295**

|   |  |
|---|--|
| Introduction 286                          | Indent and Ordering for Supplies and Equipment 289 |
| Maintenance of Equipment and Supplies 286 | Problem-Solving Process and Approach 290           |
| Management of Equipment and Supplies 287  |  |

**Chapter 20 Cost and Financing of Healthcare ..... 296–332**

|                              |  |
|------------------------------|--|
| Introduction 297             | Five-Year Plans 301  |
| Cost 297                     | National Institution for Transforming India (NITI Aayog) 311 |
| Cost of Healthcare 298       | Health Insurance 315   |
| Health Finance 299           | Employees' State Insurance 328                               |
| National Health Planning 301 |  |

**Index ..... 333–344**
