

Orientation

Total Time 30 Hours

Orientation: Session 1

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 2

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 3

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 4

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 5

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 6

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 7

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 8

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 9

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 10

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 11

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 12

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 13

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 14

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 15

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 16

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 17

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 18

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 19

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 20

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 21

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION**A. Please describe what happened during the session:**

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 22

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 23

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 24

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 25

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 26

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 27

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 28

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 29

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION**A. Please describe what happened during the session:**

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?

Orientation: Session 30

Name of the session: _____

Name of the faculty member(s): _____

Date: _____ Time: _____ Duration: _____

Learning objective(s) of the session:

1. _____ 2. _____

3. _____ 4. _____

Teaching learning method(s): _____

REFLECTION

A. Please describe what happened during the session:

B. What did you learn from the session?

C. How will it help you become a better doctor in the future?
