Foreword by Yogesh S Marfatia	v
Foreword by Ramesh Bhat M	vi
Foreword by P Narasimha Rao	vii
Foreword by KA Seetharam and Deepika Pandhi	viii
Preface	ix
Contributors	xi

1. Topical Corticosteroids **1**

Abhishek De, Sonal Singh, Aarti Sarda, Savera Gupta, Neena Khanna

- Summary 1
- Introduction 3
- History and Evolution of TCS 3
- Structure 4
- Mechanism of Action of TCS 5
- Effects of TCS 6
- Potency 9
- Indications 13
- Choosing Appropriate TCS 33
- Annexure 1: Some common available brands of topical corticosteroids 41*

2. Complications of Topical Steroids **43**

Abhishek De, Monika Khemka, Aarti Sarda, Savera Gupta, Neena Khanna

- Summary 43
- Factors Affecting Development of Side Effects 45
- Side Effects of TCS 48
- Cutaneous Adverse Effects 48
- Systemic Side Effects of TCS 71
- Strategies to Reduce Side Effects of TCS 73
- Annexure 2: Instructions to Patients Prescribed Topical Steroids 76*

3. Intralesional Steroids **82**

Abhishek De, Sujata Sinha, Aarti Sarda, Savera Gupta, Neena Khanna

- Summary 82
- Introduction 83
- Formulations of ILS 85
- Method of Administration 86
- Special Situations 90
- Side Effects 97

4. Systemic Corticosteroids in Dermatology **100**

Manik Aggarwal, Savera Gupta, Neetu Bhari

- Summary 100
- Introduction 102

- Classification 103
- Basic Pharmacology of Corticosteroids 103
- Pharmacokinetics 104
- Mechanism of Action of Systemic Corticosteroids 105
- Principles of Systemic Corticosteroid Therapy 106
- Drug Interactions 109
- Indications 110

5. Pulse Therapy 127

Neetu Bhari, Savera Gupta

- Summary 127
- Introduction 129
- History of Corticosteroid Pulse Therapy 129
- Mechanism of Action 129
- Choice of Corticosteroid 130
- Pulse Therapy Regimens 131
- Contraindications 135
- Evaluation of Patients on Corticosteroid Pulse Therapy 136
- Advantages of Pulse Therapy 137
- Other Indications of DCP 138
- Adverse Effects of Corticosteroid Pulse Therapy 141

6. Complications of Systemic Steroids 146

Nikhil Mehta, Neetu Bhari

- Summary 146
- Osteoporosis 148
- Osteonecrosis 151
- Growth Retardation 152
- Myopathy 152
- Hyperglycemia and Diabetes 153
- Dyslipidemia 154
- HPA Axis Suppression 154
- Cushingoid Syndrome 155
- Cataract 155
- Gastrointestinal Adverse Effects 156

7. Topical Steroids Abuse: Indian Perspective 160

Neha Taneja, Vishal Gupta

- Summary 160
- Introduction 160
- Historical Aspects of Topical Steroids and their Abuse 161
- Various Stages of Steroid Misuse 161
- Commonly Abused Steroids and Indications for their Misuse 163
- Population Commonly Abusing Topical Steroids 164
- Sale of Topical Steroids in Indian Market 164
- Magnitude of Steroid Abuse Problem in India 165
- Side Effects of TSs 166
- Awareness Campaign in India Against Steroid Abuse 171
- Management of the Problem of Steroid Abuse in India 174

8. Steroid Use in Emergency Dermatoses	177
<i>Eswari L, Deepika Yadav</i>	
• Summary 177	
• Introduction 177	
A. Role of Steroids in Stevens-Johnson Syndrome/Toxic Epidermal Necrolysis 178	
B. Role of Steroids in Managing Severe Cutaneous Drug Reactions (Other than SJS/TEN) 187	
C. Role of Steroids in Extensive Pemphigus 190	
D. Steroids in Urticaria and Angioedema 192	
E. Role of Steroids in Erythroderma 194	
F. Role of Steroids in Severe Psoriasis 194	
G. Role of Steroids in Acne Fulminans 195	
9. Evidence-Based Use of Steroids in Steroid Responsive Dermatoses	199
<i>Eswari L, Neha Taneja, Neetu Bhari</i>	
• Summary 199	
• Introduction 199	
• Corticosteroids in Immunobullous Disorders 201	
• Corticosteroids in Atopic Dermatitis 207	
• Corticosteroids in Allergic and Irritant Contact Dermatitis 209	
• Corticosteroids in Lichen Planus 210	
• Corticosteroids in Psoriasis 212	
• Corticosteroids in Alopecia Areata 214	
• Corticosteroids in Vitiligo 215	
10. Steroid Misuse	222
<i>Eswari L, Kerkar Sulaksha Surya</i>	
• Summary 222	
• Introduction 222	
• Topical Steroid Abuse—Indian Scenario 222	
Index	227
