<i>Preface</i>	v	4. Extension Education Systems	66
1. Principles of Extension	1	Training and Visit system	66
Genesis of Extension	1	Broad-based Extension System	68
Meaning of Extension	2	Farmer Participatory System	69
Definition of Extension	3	Transfer of Technology Projects of ICAR	73
Components of Extension	3	5. Animal Husbandry Co-operatives	78
Scope of Extension	5	Objectives of Co-operatives	79
Concept of Extension	5	Principles of Co-operation	79
Aims of Extension	7	Service Co-operatives	80
Objectives of Extension	7	Impact of Animal Husbandry Co-operatives	88
Functions of Extension	9	6. Extension Teaching Methods	90
Dimensions of Extension	9	Individual Teaching Method	91
Principles of Extension	10	Group Teaching Method	95
Philosophy of Extension	13	Mass Teaching Methods	111
Basic Elements in Extension	14	Edgar Dale's Cone of Experience	122
Three Linkages in Extension	14	Selection and Combination of Extension Methods	123
Contrasts Between Extension Education and Formal Education	15	7. Audio-Visual Aids	126
Contrasts between Animal Husbandry Extension and Agricultural Extension	16	Audio Aids	126
2. Extension Educational Psychology	17	Visual Aids	128
Educational Psychology	17	Audio-Visual Aids	136
Scope of Extension Educational Psychology	17	Computer-Assisted Electronic Aids	139
Teaching and Learning	17	Selection of Audio-Visual Aids	142
Intelligence	22	Satellite Instructional Television Experiment (SITE)	143
Motivation	24	8. Rural Sociology as Applied to Extension Education	144
Attitude	25	Introductory Sociology	144
3. Rural Development	28	Primary Concepts of Rural Sociology	150
Growth and Development of India's Extension Organisation	28	Group Organisation	156
Panchayati Raj	38	Social Stratification	160
Animal Husbandry Development Programmes	47	Leaders and Leadership	163
Conservation and Improvement of Native Animal Genetic Resources (2002)	62	Cultural Factors in Society	169
National Livestock Mission (NLM)	63	Social Values or Value Systems	173
NITI Aayog	63	Social Change	174
Animal Husbandry Programmes Led by NGOs in India	63	Social Transformation in Relation to Animal Rearing	177
Animal Welfare Board of India	64		

9. Communication of Innovation	178	Philosophy of Programme Planning	190
Types of Communication	178	Methods of Programme Planning	190
Communication Models	179	Abilities Needed in Extension Personnel	190
Organisational Communication	180	Needs and Interest	190
Diffusion	183	Extension Programme Management	193
Adoption Process	185	Evaluation in Extension	198
Adopter Categories	185		
Constraints in Adoption of Improved Animal Husbandry Practices	186	11. Livestock Marketing Extension	204
10. Programme Planning and Evaluation	188	The Role of Livestock	204
Programme Planning Terminology	188	Types of Farming and Systems of Farming	208
Importance of Programme Planning	189	Livestock Products' Marketing Extension	211
Principles of Programme Planning	189	E-Commerce	217
		<i>Bibliography</i>	219
		<i>Index</i>	223
