| <i>Preface</i> | v |
| 1. General Physiology | 1 |
| • Rapid Reading | 1 |
| • Interpretative Study Questions | 6 |
| • Suggested Reading | 10 |
| 2. Blood and Lymph | 11 |
| • Rapid Reading | 11 |
| • Study Questions Based on Clinical Scenarios | 29 |
| • Multiple Choice Questions | 45 |
| 3. Nerve and Muscle Physiology | 51 |
| • Rapid Reading | 51 |
| • Clinical Scenarios and Interpretative Exercises | 58 |
| • Multiple Choice Questions | 70 |
| 4. Gastrointestinal Physiology | 73 |
| • Rapid Reading | 73 |
| • Questions Based on Clinical Scenarios | 87 |
| • Multiple Choice Questions | 94 |
| 5. Cardiovascular Physiology | 103 |
| • Rapid Reading | 103 |
| • Questions Based on Clinical Scenarios | 139 |
| • Multiple Choice Questions | 156 |
| 6. Respiratory Physiology | 166 |
| • Rapid Reading | 166 |
| • Questions Based on Clinical Scenarios and Interpretative Exercises | 176 |
| • Multiple Choice Questions | 197 |
| 7. Renal Physiology Including Acid-base Physiology | 214 |
| • Rapid Reading | 214 |
| • Questions Based on Clinical Scenarios | 231 |
| 8. Endocrinology | 255 |
| • Rapid Reading | 255 |
| • Questions Based on Clinical Scenarios | 277 |
| • Multiple Choice Questions | 291 |
| 9. Reproductive Physiology | 307 |
| • Rapid Reading | 307 |
| • Questions Based on Clinical Scenarios | 316 |
| • Multiple Choice Questions | 321 |

10. Central Nervous System and Special Sensory System**325**

- Rapid Reading 325
- Questions Based on Clinical Scenarios—CNS 397
- Multiple Choice Questions—CNS 408
- Questions Based on Clinical Scenarios—Special Senses 424
- Multiple Choice Questions—Special Senses 430
