<i>Foreword by JB Sharma</i>	vii
<i>Foreword by Kavita N Singh</i>	ix
<i>Preface</i>	xi

Section I: Introduction and Epidemiology

1. Introduction to Hyperglycemia in Pregnancy	3
<i>Rekha Wadhwani, Poorva Badkur</i>	

Section II: Pathophysiology, Screening, and Diagnosis

2. Physiology of Glucose Metabolism in Pregnancy	13
<i>Juhi Agarwal, Poorva Badkur</i>	
3. Pathophysiology of Gestational Diabetes Mellitus	26
<i>Juhi Agarwal, Rekha Wadhwani</i>	
4. Risk Factors, Screening and Diagnosis of Hyperglycemia in Pregnancy	36
<i>Rekha Wadhwani, Poorva Badkur</i>	

Section III: Clinical Management

5. Preconception Counseling and Optimization in Pregestational Diabetes Mellitus	53
<i>Vinita Singh, Poorva Badkur</i>	
6. Antenatal Care of Women with Gestational Diabetes Mellitus	67
<i>Pushpawati Thakur, Juhi Agarwal</i>	
7. Management of Pregestational Diabetes	77
<i>Nirmala Sharma, Neha Seehra</i>	

Section IV: Maternal and Fetal Implications

8. Maternal and Fetal Morbidities in Diabetes in Pregnancy	87
<i>Poorva Badkur, Rekha Wadhwani</i>	
9. Diabetic Ketoacidosis in Pregnancy	98
<i>Poorva Badkur, Juhi Agarwal</i>	
10. Long-term Implications of Hyperglycemia in Pregnancy	105
<i>Padmaja Samant, Ching Ling Yi, Rekha Wadhwani</i>	

Section V: Intrapartum and Postpartum Care

- | | |
|--|-----|
| 11. Intrapartum Management of Hyperglycemia | 113 |
| <i>Jaya Chaturvedi, Poonam Gill</i> | |
| 12. Postpartum Care and Follow-up | 122 |
| <i>Jaya Chaturvedi, Rajlaxmi Mundhra</i> | |
| 13. Nutrition and Physical Activity in Hyperglycemia in Pregnancy | 128 |
| <i>Garima Suryavanshi, Juhi Agarwal</i> | |

Section VI: Special Scenarios

- | | |
|--|-----|
| 14. Pathophysiological Links between Gestational Diabetes Mellitus and Hypertensive Disorders of Pregnancy: Clinical Implications | 141 |
| <i>Juhi Agarwal, Rekha Wadhwani</i> | |
| 15. Diabetes in Special Situations | 150 |
| <i>Arpita De, Aruna Nigam</i> | |
| 16. Contraception and Family Planning | 159 |
| <i>Nadia Khurshid</i> | |

Section VII: Appendices and Resources

- | | |
|---|-----|
| Annexures | 171 |
| <i>Annexure 1: Glycemic Index of Different Food Stuff Grains and Starches</i> | |
| <i>Annexure 2: Food Exchange List and Cup Measurements</i> | |
| Flowcharts | 175 |
| <i>Flowchart 1: Intrapartum Management of GDM</i> | |
| <i>Flowchart 2: Postpartum Management and Contraception in GDM</i> | |
| Patient Education Tools | 177 |
| <i>Tool 1: Risk Factors for Gestational Diabetes Mellitus</i> | |
| <i>Tool 2: Warning Signs of Hypoglycemia</i> | |
| <i>Tool 3: Lifestyle Strategies for GDM Management</i> | |
| <i>Tool 4: Blood Glucose Levels Guidelines in Pregnancy</i> | |
| Index | 179 |
