Section 1: Basic Considerations for the Child Undergoing Surgery

1. **Anatomical and Physiological Concerns** 3
Sharmila Ahuja, Deepti Agarwal
2. **Applied Pharmacology of Drugs Used in Perioperative Period** 10
Sharmila Ahuja, Deepti Agarwal
3. **Operation Theatre Setup for Paediatric Surgical Patients** 21
Anurag Krishna
4. **Equipment and Monitors Related to Paediatric Anaesthesia** 26
Dilip Pawar
5. **Fluid Management in Perioperative Period and Transfusion Therapy** 35
Purnima Dhar, Chetan Mehra

Section 2: Anaesthetic Management in the Perioperative Period

6. **Preoperative Evaluation in Paediatric Patients** 49
Purnima Dhar, Rajeshwari Subramaniam, Renu Sinha, Hemkumar Pushparajan
7. **Difficult Paediatric Airway** 66
Aparna Sinha, AK Sethi
8. **General Anaesthesia Considerations in Paediatric Patient** 76
Rajeshwari Subramaniam, Renu Sinha
9. **Paediatric Laparoscopic Surgery** 87
Jayashree Sood
10. **Regional Anaesthesia in Paediatrics** 92
Mahesh Kumar Arora, Dalim Kumar Baidya
11. **Care of Child in PACU** 109
V Muralidhar
12. **Neonate with Common Congenital Anomalies Requiring Surgery** 117
Anup Mohta, Medha Mohta
13. **Children with Common Congenital Malformations Requiring Surgery** 131
Medha Mohta, Priyanka Khurana

Anaesthesia in Special Situations

14. Anaesthesia for Radiological Procedures	140
<i>Poonam Motiani</i>	
15. Foetal Surgery	150
<i>Raminder Sehgal</i>	
16. Dental Procedures in Children: Challenges and Concerns	158
<i>Namita Kalra, Amit Khatri</i>	
17. Child with Malignancy	163
<i>Poonam Motiani</i>	

Section 3: Emergent Clinical Situations

18. Foreign Body Airway	177
<i>Dilip Pawar</i>	
19. Child with Trauma	182
<i>Medha Mohta</i>	
20. Child with Burns	190
<i>Rachna Wadhwa</i>	
21. Neonatal Resuscitation	200
<i>Rashmi Salhotra, Sujata Chaudhary</i>	
22. Paediatric Cardiopulmonary Resuscitation	207
<i>Sujata Chaudhary, Rashmi Salhotra</i>	

Section 4: Intensive Care

23. Organisation of a Paediatric Intensive Care Unit	233
<i>Asha Tyagi, Abhijit Bhattacharya</i>	
24. The Critically Ill Septic Child—Role of Anaesthesiologist	238
<i>Abhijit Bhattacharya, Balakrishnan Ashokka</i>	
25. Role of Imaging in Critically Ill Child	247
<i>Karuna Taneja</i>	
26. Poisoning in Children	255
<i>Asha Tyagi</i>
