SECTION A APPLIED SOCIOLOGY

Unit 1	Introduction	3–18
	Introduction.....	4
	Origin of the Word Sociology.....	4
	Historical Development of Sociology	5
	Definitions of Sociology	5
	Nature of Sociology	6
	Scope of Sociology	8
	Branches of Sociology.....	9
	Significance of Sociology in Nursing	11
	Differences between Sociology and Psychology	15
Unit 2	Social Structure	19–75
	Introduction.....	20
	Society, Community, Association, and Institution.....	20
	Individual and Society.....	25
	Personal Disorganization	26
	Social Groups	29
	Unorganized Social Groups.....	32
	Social Processes	36

Cooperation	36
Competition	38
Conflict	40
Accommodation	43
Assimilation	45
Isolation	46
Socialization	49
Social Change	55
Rural, Urban, and Tribal Communities	58
Importance of Understanding Social Structure in Nursing Profession	68

Unit 3	Culture	76–102
---------------	----------------	---------------

Introduction	77
Concept of Culture	77
Origin of the Word Culture	78
Definitions	78
Dimensions of Culture	78
Functions of Culture	79
Nature of Culture	82
Characteristics of Culture	82
Evolution of Culture	83
Diversity and Uniformity of Culture	83
Transmission of Culture	85
Cultural Lag	85
Differences between Culture and Civilization	86
Culture and Socialization	87
Major Concepts of Culture	88
Transcultural Society	88
Culture, Modernization, and their Impact on Health and Disease	92
Importance of Culture in Nursing	96

Unit 4	Family and Marriage	103–138
---------------	----------------------------	----------------

Introduction	104
Family	104
Factors Responsible for Change in Indian Families	110
Morgan's Theory of Family Evolution	111
Duvall's Eight Stages of the Family Life Cycle	113
Joint Family	114
Nuclear Family	117

Marriage	120
Legislation Related to Marriage and Family	131
Influences of Family and Marriage on Health	133
Importance of Understanding Marriage and Family Dynamics for Nurses	134

Unit 5**Social Stratification****139–168**

Introduction	140
Definitions	140
Origin of the Word Stratification	140
Origin of Social Stratification	140
Characteristics of Social Stratification	141
Key Principles of Social Stratification	141
Functions of Social Stratification	141
Types of Social Stratification	143
Indian Caste System	143
Positive and Negative Impacts of Caste System on Society	148
Class System	150
Differences between Caste System and Class System	152
Status	152
Social Mobility	154
Race	156
Racism	161
Ethnicity	162
Ethnocentrism and Xenocentrism	162
Differences between Race and Ethnicity	163
Influence of Caste, Social Class, and Race on Health in India	163

Unit 6**Social Organization and Disorganization****169–236**

Introduction	171
Social Organization	171
Voluntary Associations	173
Social System	174
Roles	178
Status	179
Inter-Relationships of Social Institutions	179
Social Control	180
Process of Social Control	184
Forms of Social Control	185
Social Norms, Morals, and Values	186

Social Disorganization	187
Impact of Social Disorganization on Nursing	188
Social Disorganization: Control and Planning	189
Poverty.....	191
Housing.....	195
Food Supply	196
Illiteracy	198
Prostitution.....	201
Dowry	203
Child Labor.....	206
Child Abuse.....	208
Juvenile Delinquency	210
Crime	213
Substance Abuse.....	216
Human Immunodeficiency Virus/Acquired Immunodeficiency Syndrome.....	220
COVID-19	222
Vulnerable Groups	224
Fundamental Rights of Individual, Women, and Children	226
Role of Nurses in Reducing Social Problems and Enhancing Coping	228
Social Welfare Programs in India	230

Unit 7**Clinical Sociology****237–248**

Introduction.....	238
Definitions	238
Functions	238
Nature.....	239
Clinical Sociologist	240
Abuse.....	242
Use of Clinical Sociology in Crisis Intervention	243

SECTION B APPLIED PSYCHOLOGY**UNIT 1****Introduction****251–269**

Basic Concepts of Psychology	252
Development of Psychology	253
Branches of Psychology	255
Scientific Methods in Psychology.....	257
Scope of Psychology	259
Relation of Psychology with Other Subjects	260

Significance of Psychology in Nursing	261
Applied Psychology to Solve Everyday Issues	264

UNIT 2 Biological Basis of Behavior 270–288

Introduction	271
Concept of Mind	271
Mind-Body Relationship	274
Genetics and Behavior	277
Inheritance of Behavior	278
Brain and Behavior	280
Psychology and Sensation: Sensory Processing	282
Importance of Biological Basis of Behavior in Nursing	284

UNIT 3 Mental Health and Mental Hygiene 289–307

Introduction	290
Concepts of Mental Health and Mental Hygiene	290
Characteristics of a Person with Good Mental Health	291
Warning Signs of Poor Mental Health	292
Seven Signs of Good Mental Health	292
Promotive and Preventive Mental Health Strategies	292
Coping Mechanisms	293
Frustration	297
Conflict	298
Ways to Deal with Frustration and Conflict	300
Conflict in Nursing and its Management	300
Role of a Nurse in Conflict Management and Enhancing Coping	302
Ego	303

UNIT 4 Developmental Psychology 308–325

Introduction	309
Evolution and Scope of Developmental Psychology	309
Physical, Psychosocial, and Cognitive Development	310
Role of Nurses in Supporting Normal Growth and Development	313
Psychological Needs of Different Age Groups in Health and Sickness	314
Child Psychology	316
Role of Nurses in Meeting the Psychological Needs of Children	317
Psychology of Vulnerable Individuals	317
Role of Nurses in Caring for Various Vulnerable Groups	320

UNIT 5	Personality	326–347
	Introduction.....	327
	Origin of the Word Personality	327
	Definitions	327
	Characteristics of Personality	327
	Factors Influencing Personality Development	328
	Classification of Personality	329
	Measurement and Evaluation of Personality.....	335
	Personality Alterations.....	339
	Role of Nurses in Personality Assessment and the Management of Personality Disorders.....	343
UNIT 6	Cognitive Processes	348–418
	Introduction.....	349
	Cognitive Psychology	349
	Cognition and Cognitive Processes.....	350
	Attention.....	351
	Perception	356
	Intelligence	363
	Measurement of Intelligence.....	368
	Intellectual Disability	372
	Nurses' Responsibilities for Children with Intellectual Disabilities	375
	Learning	376
	Habit Formation.....	384
	Memory	387
	Forgetting	391
	Thinking	392
	Reasoning	395
	Problem-Solving.....	397
	Aptitude.....	399
	Individual Differences	401
	Psychometric Assessment of Cognitive Processes.....	403
	Alteration in Cognitive Processes	404
	Role of Nurses in the Cognitive Processes and its Assessments	406
UNIT 7	Motivation and Emotional Processes	419–454
	Introduction.....	420
	Origin of the Word Motivation	420
	Definitions	420
	Components of Motivation.....	421

Classification of Motives and Types of Motivation	421
Theories of Motivation	423
Motivational Cycle	425
Emotions.....	426
Stress	433
Attitudes	439
Attitudinal Change.....	442
Role of Attitude in Health and Sickness.....	443
Psychometric Assessment of Attitudes and Emotions.....	443
Role of Nurses in Caring for Emotionally Sick Patients	447

UNIT 8 Psychological Assessment and Psychological Tests 455–466

Introduction.....	456
Concept of Psychological Assessment and Psychological Tests	456
Types of Psychological Tests.....	457
Development of a Psychological Test.....	459
Characteristics of a Good Psychological Test	460
Principles of Psychological Assessment	461
Uses of Psychological Assessment and Psychological Tests	462
Limitations of Psychological Tests	462
Interpretation of Psychological Tests	462
Role of Nurses in Psychological Assessment.....	463

UNIT 9 Application of Soft Skills 467–486

Introduction.....	468
Definitions	468
Concept of Soft Skills	468
Types of Soft Skills	469
Visual and Aural Communication Skills.....	471
Methods of Communication.....	471
Building Relationships with Client and Society	472
Interpersonal Relationships	473
Survival Strategies.....	477
Soft Skills for the Workplace and Society	481
Uses of Soft Skills in Nursing.....	483

UNIT 10 Self-Empowerment 487–498

Introduction.....	488
Definitions	488

Dimensions of Self-Empowerment	488
Development of Self-Empowerment	489
Phases of Self-Empowerment.....	490
Women's Empowerment	491
Professional Etiquette.....	492
Personal Grooming	494
Role of Nurses in Empowering Others.....	494
<i>Index</i>	499
