
| | |
|---------------------------------------------------------------|------------|
| 1. Introduction to Anatomy | 1 |
| • Competencies 4 | |
| 2. Anatomy of the Head and Neck | 7 |
| • Competencies 8 | |
| • Surface Markings 11 | |
| • Osteology and Radiology 16 | |
| • Dissection Records 21 | |
| 3. Anatomy of the Upper Limb | 31 |
| • Competencies 32 | |
| • Surface Markings 35 | |
| • Osteology and Radiology 40 | |
| • Dissection Records 45 | |
| 4. Anatomy of the Thorax | 55 |
| • Competencies 56 | |
| • Surface Markings 59 | |
| • Osteology and Radiology 64 | |
| • Dissection Records 69 | |
| 5. Anatomy of the Abdomen and Pelvis | 79 |
| • Competencies 80 | |
| • Surface Markings 83 | |
| • Osteology and Radiology 88 | |
| • Dissection Records 93 | |
| 6. Anatomy of the Lower Limb | 103 |
| • Competencies 104 | |
| • Surface Markings 107 | |
| • Osteology and Radiology 112 | |
| • Dissection Records 117 | |
| 7. Genetics, Histology and Embryology | 127 |
| 8. Competencies of Horizontal and Vertical Integration | 165 |
| 9. Early Clinical Exposure (ECE) | 171 |
| 10. Self Directed Learning (SDL) | 185 |
