

Contents

<i>Preface</i>	<i>vii</i>
1. Anatomy of Female Reproductive System	1
2. Anatomy of Hypothalamus and Pituitary Glands	10
3. Gynecology: Case History and Examination	23
4. Puberty	30
5. Preoperative Care in Gynecologic Surgery	41
6. Principles of Surgical Techniques in Gynecology	45
7. Postoperative Care and Its Complications	54
8. Pelvic Infections	58
8A. Pelvic Inflammatory Disease	58
8B. Lower Genital Tract Infections	62
8C. Tuberculosis of Female Genital Tract	68
8D. Syndromic Management	76
9. Development of Female Genital Tract	81
10. Congenital Anomalies of Female Genital Tract	92
11. Menstrual Disorders	104
11A. Amenorrhea	104
11B. Abnormal Uterine Bleeding (AUB)	126
11C. Dysmenorrhea	139
12. Infertility	145
12A. Infertility Overview and Male Infertility	145
12B. Female Infertility	164
12C. In Vitro Fertilization (IVF)	188
13. Leiomyoma Uterus	198
14. Genitourinary Prolapse	211
15. Endometriosis	231
16. Menopause and Hormone Therapy (HT)	243
17. Contraception and Family Planning	263
18. Urinary Flow Disorders	309
18A. Physiology of Urinary Flow and Continence	309
18B. Urethral Sphincter Incontinence (Genuine Stress Incontinence)	314

18C. Overactive Bladder	328	
18D. Genitourinary Fistula	335	
19. Cervical Lesion		349
19A. Cervical Intraepithelial Neoplasia	349	
19B. Invasive Cancer Cervix	372	
20. Ovarian Lesions		390
20A. Benign Ovarian Neoplasm	390	
20B. Epithelial Ovarian Cancer	407	
20C. Ovarian Germ Cell Tumors	423	
20D. Sex Cord-stromal Tumors of Ovary	434	
21. Cancer Body Uterus		447
22. Hysterectomy		460
22A. Total Abdominal Hysterectomy	460	
22B. Vaginal Hysterectomy	469	
22C. Laparoscopic Hysterectomy	476	
22D. Radical Hysterectomy for Cancer Cervix	482	
23. Endoscopy Procedures		495
23A. Hysteroscopy in Gynecology	495	
23B. Laparoscopy in Gynecology	510	
24. Vulval Lesions		537
24A. Vulval Intraepithelial Neoplasia (VIN)	537	
24B. Vulval Cancer	548	
25. Vaginal Lesions		562
25A. Vaginal Intraepithelial Neoplasia (VAIN)	562	
25B. Cancer Vagina	564	
26. Special Topics		574
26A. Hirsutism	574	
26B. Radiation Therapy in Gynecology	585	
26C. Chemotherapy in Gynecologic Cancer	595	
26D. Stem Cell Therapy	604	
26E. Medical Ethics	609	
26F. Management of Perineal Tear	613	
<i>Index</i>		621
